FLOOR DEBATE

January 17, 2002 LB 824

I give it to her.

SENATOR FOLEY: Well,...

SENATOR CHAMBERS: I don't force it on her.

SENATOR FOLEY: ...it's given...so it's given to her and then she takes it.

SENATOR CHAMBERS: Yes.

SENATOR FOLEY: I think then any action committed or engaged in by the mother of the unborn child, pursuant to page 1, lines 21-22, would indicate that she has taken an action that is within the exemption portion of this bill.

SENATOR CHAMBERS: I agree with you. Do you see how easy it is to answer me. I agree.

SENATOR FOLEY: Some...sometimes.

SENATOR CHAMBERS: Oh, okay.

SENATOR CUDABACK: Time.

SENATOR CHAMBERS: And that's all I wanted to ask you on that. I've talked ten minutes?

SENATOR CUDABACK: Time, Senator Chambers. Your time is up, Senator.

SENATOR CHAMBERS: Ten minutes?

SENATOR CUDABACK: Yes. Yes, sir. You've heard the opening on the motion to reconsider the vote taken on the bracket motion for LB 824. Open for discussion. Senator Chambers.

SENATOR CHAMBERS: I don't remember us starting at 1:43, but maybe we did.

SENATOR CUDABACK: The countdown was 10 minutes, Senator.
